

Build Your Own Custom Package

Lake Anna Hall

Elegance On The Lake

We believe that every Bride & Groom deserve to have what they “as a couple want” from their venue ...Not a package that the venue put together. Although, cookie cutter and shopping center type receptions are easy for the venue. One size fits all is not what you want on your big day.

At Lake Anna Hall we have thrown away the rule book and you can have what “You” want and not have to pay for items that you don’t want. You build your own package.

Our Wedding Planners will make your special day a “One of a kind event” that you and all of your guests will remember.

Every Package Custom MadeBy You !
